Our HISTORY

The College imparts high skilled training on various disciplines of dentistry, making it one-of-its-kind institute, that offers the widest range of choices to the students who desire to make their name in this particular field. Every year, Dental College trains about 100 students for BDS and 49 students for MDS programs in 9 specialties.

SINCE 2000

Dr. D. Y. Patil Dental College & Hospital has maintained its quality and excellence it stands for. Recognized by the Ministry of Health & Family Welfare, Government of India, Dental Council of India and Malaysian Dental Council, the College has grown to become one of the best equipped and comprehensive academic set up in dentistry in the country. Infact, the growth of the College and Hospital lies in the 360 degree outlook, which covers all four areas of deliverables-Education, Technological advances, Research and patient care.
