

FELLOWSHIP IN CONTEMPORARY ENDODONTICS

COURSE DURATION: 1 year FULL TIME

COURSE FEE: INR 9,00,000/-

ELIGIBILITY: BDS, MDS (ANY SPECIALITY)

LIMITED INTAKE: 10 SEATS

HIGHLIGHTS

- ▶ Course Syllabus Designed Like Masters Program
- ▶ Course Format Comprises Of ~
 - Didactics
 - Preclinical Hands On
 - Live Clinical Demonstrations By Mentors
 - Live Clinical Training On Patients With Over-the-shoulder Supervision By Mentors
 - Presentations, Group Discussions
- ▶ State Of The Art Infrastructure
- ▶ Advanced Armamentarium And Equipment
- ▶ Magnification: Microscope & Loupes
- ▶ Premium Membership Peer Reviewed Literature
- ▶ Access To Unique Application For Digital Learning And Revision

- ▶ **INNUMERABLE PATIENTS FOR CLINICAL TRAINING**
- ▶ **MULTIPLE ROTARY FILE SYSTEMS**

PROGRAM DIRECTOR & CHIEF MENTOR: DR. RAJESH SHETTY

Course Coordinators

Dr. Karan Bhargava: 9545131474;

Dr. Gurmeen Kaur: 8605335888

Dr Abhilasha Bhawalkar: 9860998482

DIDACTICS

- Diagnosis And Treatment Planning
- Internal Anatomy Of Teeth
- Instrumentation In Endodontics
- Safer And Predictable Way Of Rotary Endodontics
- Irrigation Principles And Techniques
- Obturation
- Post And Core
- Magnification In Endodontics
- Rubber Dam Isolation
- Microsurgical Endodontics
- Management of Mishaps
- Management of Trauma cases
- Ultrasonics in Endodontics

CLINICAL TRAINING

- Location of canals- MB2 and Middle Mesial canal
- Reading Pulp chamber Floor- Roadmap for hidden anatomy
- Understand your Equipment- Various modes and operations
- File system selection
- Coronal Flaring, Glide Path Preparation
- Art of Scouting
- Management of curved/calcified canals
- Management of open apex
