

Curriculum Vitae

DR. KRISHNAPRIYA SUHAS NENE

OBJECTIVE

To secure a professional role in a dynamic, growth oriented organization that provides me with an opportunity to use my knowledge and skills for patient & community welfare.

WORK EXPERIENCE

October 2019- till present

- Currently working as an **Assistant Professor** in the department of **Pediatric and Preventive Dentistry at Dr. D.Y.Patil Dental College & Hospital, Dr. D.Y.Patil Vidyapeeth, Pimpri, Pune**
- My work in the college is a blend of clinical practice and academics.
- It has provided me an opportunity to actively treat and provide dental care for infants, children and adolescents and also children with special health care needs in the dental operatory as well as in a hospital set up.
- In addition to it, it has given me an opportunity to conduct academic lectures, interactive sessions and demonstrations for both undergraduate & post graduate students.
- I am also actively involved in the clinical research work going on in the department and the college and currently working on manuscript of the same.
- It has also provided me with an opportunity to organize and actively participate in community based dental camps , oral health awareness programs, CDE programs, conferences, webinars, hands on workshops, symposiums

EDUCATIONAL BACKGROUND:

Sinhgad Dental College & Hospital, Wadgaon Budruk, Pune

June 2010 – August 2015

Sinhgad Dental College & Hospital, Wadgaon Budruk, Pune affiliated to Maharashtra University of Health Sciences (MUHS), Nasik is a premier centre for excellence in the field of dentistry for both undergraduate & postgraduate specialties. It boasts of numerous research publications and CDE programs.

B.D.S

- The undergraduate programme opened up a new avenue for me and helped in the development and growth of my skills to examine, correctly diagnose and provide treatment for patients both adult as well as young.
- In addition to this, it has also provided me an opportunity to organize and actively participate in community based urban and rural dental camps and oral health awareness programmes.

Dr. D. Y. Patil Dental College & Hospital, Dr. D.Y. Patil Vidyapeeth, Pimpri, Pune

May 2016 – May 2019

Dr. D. Y. Patil Dental College & Hospital, Pimpri is highly accredited by NAAC with CGPA of 3.62 on a 4 point scale at A grade. It is recognized by the Ministry of Health & Family Welfare, Government of India, Dental Council of India and Malaysian Dental Council and is one of the best equipped and comprehensive academic set up in dentistry in the country.

M.D.S Pedodontics & Preventive Dentistry

- As a post graduate student, my primary responsibility was to provide dental care for infants, children and adolescents. I was also looking after children with special health care needs.
- This program ensured that we get hands-on experience on complex treatments such as various pulp therapy procedures followed by placement of SS crowns and aesthetic crowns in children, extractions, providing space maintainers like distal shoe, functional RPD, lingual arch, band & loop.
- I have also performed minor oral surgical procedures including frenectomy, fibroma excision.
- I have demonstrated experience in full mouth rehabilitation performed under local and general anaesthesia as well as management of anterior dental trauma.
- I was also responsible for providing the patients with preventive treatment. This included the use of newer modalities like remineralizing agents and silver diamine fluoride. I have provided interceptive orthodontic modalities for habit breaking and cross bite correction.

Paper presentations

- My paper titled **“Aesthetic smile analysis of primary maxillary tooth width by application of golden proportion”** won the **best paper presentation** award at 39th ISPPD national conference held at Chennai, September 2017.
- I have also presented a paper which has assessed the **Association of prolonged breast feeding with early childhood caries** at PG convention held at Bangalore, February 2017

Poster presentations

- **“Go green keep the root canal clean”** at the 38th ISPPD National Conference held at Kochi, September 2016.
- Modified Bonded Distal Shoe Appliance designed for a patient having inadequate abutments: A Case Report at IAPD virtual congress 13th-17th september 2020

Speaker in a Webinar titled – Healthy smile for healthy life - conducted for the parents and children of **the Sacred Heart School, Kalyan.**

- The session aimed to create oral hygiene and health awareness amongst the children and their parents

Research Publications

- Prognosis of replanted avulsed permanent incisors: A systematic review. Int J Pedod Rehabil 2018; 3: 87-98.
