

Curriculum Vitae

Name: Dr Nayana Anasane

Designation: Professor

Email ID: nayana.anasane@dpu.edu.in

Contact No.: 9922953095

Orcid ID: 0000-0002-6022-2399

SCOPUS ID:

Qualification: MDS Prosthodontics

Academic Experience:

Lecturer: 4 Years

Associate Professor: 7 Years, 6 Months

Professor: 1 Year, 10 Months, 8 Days till Date (08/02/2021)

Field of Specialization: Prosthodontics and Crown & Bridge and Implantology

Awards, Honors and Fellowship:

A) Chairperson:

1. Chairperson for **scientific E-poster competition** at Continuing dental education programme and hands on course on “Precision attachments in Prosthodontics” held at Dr. D. Y. Patil Dental College and Hospital, Pimpri, Pune. On 4th and 5th October 2018.
2. Chairperson for **scientific poster presentations** at 46th Indian Prosthodontic Society Conference held at Mangalore, Karnataka, India on 15th to 18th November 2018.
3. Chairperson for **scientific paper presentations** at 57th Maharashtra state dental conference, Hosted by Indian dental association, Pune Branch held at Oxford Golf Resort, Pune on 24th and 25th November 2018.

4. Chairperson for **scientific session for keynote speaker** at 57th Maharashtra state dental conference, Hosted by Indian dental association, Pune Branch held at Oxford Golf Resort, Pune on 24th and 25th November 2018.

B) Conducted Pre-Convention Course:

1. Conducted Pre-Convention Course at 19th IPS PG Convention. Topic: “Cast Partial Denture-A Simplified Venture” at Seema Dental College and Hospital, Rishikesh, Uttarakhand on 16th to 18th June, 2018.

2. Conducted Pre-Convention Course at 21st IPS Post Graduate Convention. Topic: “Surveying and Designing of Cast Partial Denture” at Narsinhbhai Patel Dental College, Visnagar, Gujarat on 5th to 7th April 2019.

C) Paper /Poster Presentations:

1. Poster: 6th National Convention of Prosthodontic Post Graduate Students. 27th to 29th August 2004. The Oxford Dental College, Bangalore.

2. Poster: Indian Prosthodontic Society 33 IPSCON’05, Prosthodontist Sculpting the Future, 24th to 27th November 2005, Aurangabad.

3. VIII National Convention of Prosthodontic Postgraduate students of Indian Prosthodontic Society, Pondicherry. 23rd to 25th June 2006.

Title: Rehabilitaion of Hemimaxillectomy Defect - A Case Presentation.

4. 7th Indian Prosthodontic Society. Postgraduate Students’ Convention. Sri Ramachandra Dental College and Hospital, Chennai. 27th to 28th August 2005.

Title: Aesthetic Post and Core Materials’

5. Workshop on ‘Complete Dentures’ PEARS Prosthodontic Education and Research Society. 9th and 10th September 2006. Govt Dental College and Hospital, Mumbai.

Title: Hinge Axis.

6. Workshop on 'Fixed Partial Prosthodontics, PEARS Prosthodontic Education and Research Society. Govt Dental College and Hospital, Mumbai. 10th and 11th March 2007.

Title: 'Impression Materials and Techniques'.

7. CDE Workshop on 'Designing Cast Metal Partial Denture'. D. Y. Patil Dental College and Hospital, Pimpri, Pune. 5th and 6th December 2008.

Title: 'Spruing and Investing In Cast Metal Partial Denture'

8. Paper presentation at 46th IPS Conference held at Mangalore, Karnataka, India on 15th to 18th November 2018.

Title: "Ridge expansion techniques in implant prosthodontics"

9. Paper presentation at 2nd International Women's Dental & Leadership Congress at Bharati Vidyapeeth, Dental College and Hospital, Pune, India. on 27th to 29th September 2019.

Title: "Natural shield for implants – proceed with caution".

10. Paper presentation at 13th Biennial conference of International Society of Maxillofacial Rehabilitation at Pune, India held on 5th-7th and 12th – 14th February 2020.

Title: "Rehabilitation of maxillary defect with sequential obturators – a case report"

Research Publication:

1. Rehabilitation of a Maxillectomy Defect with Definitive Hollow Bulb Obturator: A Case Report. Journal of Indian Dental Association 2010;4(11):429-431.

2. Enhancing Aesthetics in Anterior Fixed Partial Denture by Soft Tissue Ridge Augmentation: A Clinical Report. Indian Journal of Dental Education 2011;4(1-2)13-16.

3. *Prosthodontic Rehabilitation of a Patient with Hypomaturation Amelogenesis Imperfecta – A Clinical Report. Journal of Dental Research and Review. June 2011: 48-51.*

4. Nonsurgical Management of Large Cyst like Inflammatory Periapical Lesion with Endodontic Therapy – A Case Report. Dental Dialogue 2012; 38(1):23-24.

5. The effect of joint surface contours and glass fiber reinforcement on the transverse strength of repaired acrylic resin: An in vitro study. Dental Research Journal 2013;10(2): 214 - 219.

6. Trends in restoring atrophied mandibular ridges with implants over a period of three decades. International journal of current research 2017; 9(03): 47950-56.
7. A collaborative approach towards speech analysis in patients rehabilitated with maxillary obturator prosthesis. International journal of current research 2017;9(03): 48396-98.
8. Effect of different cavity configurations on the tensile bond strength of hybrid and nanofilled composites- In vitro study. International journal of current research 2017; 9(04): 49350-54.
9. Non splitted mandibular full arch prosthesis with modified peek material- A case report. International journal of current research 2017;9(04): 49417-19.
10. Trends in treatment modalities for hemimandibulectomy patient: A systematic review. International journal of current research 2017;9(05): 50567-72.
11. Comparing mandibular 2 implant supported overdenture and conventional mandibular complete denture on the basis of patient compliance and cost factor: A systematic review. International journal of current research 2017;9(05): 51264-67.
12. Denture stability in compromised mandibular residual ridge with neutral zone technique. International journal of current research 2017;9(05):49967-70.
13. Comparative evaluation of the efficacy of three commercially available disinfectants on irreversible hydrocolloid materials by spray method- An in vitro study. International journal of current research 2017;9(10):59852-57.
14. Clinical evaluation associated with bleeding on probing of soft tissue around dental implants restored with cement retained and screw retained prosthesis: A systematic review. Indian Journal of Dental Education 2019;12(3):77-81.
15. Management of flabby ridge during fabrication of complete denture, challenge in clinical practice- A case report. Indian Journal of Dental Education. 2019;12(4):161-163.
16. Evaluation of accuracy of implant placement by template guides and free hand surgery- A Systematic Review. International Journal of Research in Health and Allied Sciences. 2019;5(3):. Pg 51-54.

17. Comparative evaluation of retention characteristics of ball attachment and locator attachment systems in implant retained over dentures- a systematic review. *International Journal of Current Research*. 2020; 12(4): 10182-86.

18. The effect of two regenerative surgical treatments for peri-implantitis defect using porous titanium granules alone and a combination of bovine bone mineral with collagen membrane: a systematic review. *Journal of Dental Implants*. 2020;10:45-49.

19. Comparative evaluation of the amount of gingival displacement using three recent gingival retraction systems-in vitro study. *Contemporary Clinical Dentistry*. 2020;11(1):28-33.

Books Published: NA

Research Project:

1. PhD Project: “Effect of osseodensification drilling and two different surface treated implants on the insertion torque, implant stability quotient and bone implant contact-an experimental study in rabbit”

2. Staff Project: “Comparative evaluation of the effect of two different anterior reference points i.e. orbitale and orbitale minus seven, on the protrusive condylar guidance angle registration obtained using Arcon and Non Arcon semiadjustable articulator in select local population- in vivo study”
